14TH SUNDAY IN ORDINARY TIME

PARISH CUSTODIANS

Deacon Jeff's Corner

Any change in life is usually difficult. At best, it is what may be described as "inconvenient". When a significant change occurs in a parish such as Prince of Peace, it is difficult as well as many other adjectives.

We thank Fr. Ryan for his five years of service here at our parish. We thank him for the Mass, bringing Jesus in the Eucharist to us, for hearing Confessions and offering God's forgiveness, and for anointing the sick, that through each anointing there may be healing (and there is!). We wish him well and pray for his continued health and safety through the divine providence of God. Personally, I thank Fr. Ryan for all he has done here, for his counsel and advice, and pray that he will be able to enjoy each day a bit more as God continues to walk with him in his work.

We now welcome Fr. Bill Hoffman as our new priest celebrant. It is my sincere hope that you will accept him as you accepted Fr. Ryan when he arrived here in July of 2019. Fr. Bill has a true heart for serving, as he spent 19 years in the Dominican Republic, serving the poorest of the poor and drawing them closer to Jesus.

Change in life is inevitable. Let's welcome Fr. Bill with open arms! If there is one thing that should not change, it is this: Keep being the welcoming and loving community that you have always been! Be the face of Jesus to all those whom you meet. Continue to share generously your time, talents and treasure with everyone here and to all those in need. May we continue to be the hands and feet of Jesus to all, and to do HIS work (not any individual) here!

Why Reject the Ones We Love the Most?

by Deacon Dennis

On the tenth Sunday in Ordinary Time, we heard in the Gospel of Mark that Jesus returned home with His disciples. His greeting from His extended family had shown Him a great dishonor and today, four weeks later, that dishonor is also shared by the people who listened to Jesus teach in the synagogue. Jesus was not able to perform any mighty deeds in His hometown because His power could not take effect due to the people's lack of faith. They questioned His wisdom and His authority.

How many times, do we cause someone we know and love to perform to a lesser capacity because we question their wisdom, their authority, and listen with skepticism? Or we wonder if their training gave them the appropriate opportunity to learn..."Is He not the carpenter, the Son of Mary?" Jesus comes today as a teacher. Adult men took turns explaining the scriptures in the synagogue. The fact that Jesus took His turn at explaining the scripture was fine. What upset the listeners was what He said, the content of His message. The gospel today says that "many who heard Him were astonished." However, they were not astonished in a good way, for they took offense with Jesus.

Many times, we can extinguish a person's enthusiasm and passion by our hurtful comments, unsolicited advice and our facial expressions that can tell the receiver a lot. If it comes to our children or grandchildren, our spouse, our co-workers or people we serve with on committees, please be aware of how our comments can squash their eagerness and willingness to serve. Do your questions and queries come from awe and amazement or from resentment and bitterness?

Remember to say thank you and be appreciative of someone's help and suggestions. May all of our thoughts, words and actions aim at doing what is pleasing in God's sight!

The Usher Ministry Schedules for the weekends starting July through September have been sent through Flocknote. If you would like a copy of the ushers schedule, it will be in the hallway across from the ushers' room. Servers and Lectors will need to sign up through Flocknote. If you need help signing up, please contact the office for assistance. Thank you!
